Innovator led discussion sessions (AM and PM)

- 4 break out sessions around the room during each (morning and afternoon) period
- Informal, round table format.
- No presentations or visual aids
- Delegates are welcome to move between break out sessions
- Each break out session will involve discussion of experiences, best practice examples and thoughts for the future around key topic areas such as health, education, communities etc.
- Break out sessions will be led by innovators from around the UK and from the Transition scaling centres
- Rough notes will be taken to allow thoughts of the room to be collated

Front of room

Breakout session area within main room

Delegates free to move between discussion sessions
